Thursday April 5, 2012

8:30 AM TO 4:00 PM

Registration Info: www.colodla.org

LIMITED SPACE
SIGN UP SOON!

The Colorado Distance Learning Association exists to promote and support the development and practice of quality distance learning in Colorado.

2012 ANNUAL CONFERENCE

“Distance Learning - Design to Delivery - Giving Students a Voice”

Hear from thought leaders in the Colorado Distance Learning community. Join your colleagues, students and experts in a series of lively break-out discussions. Help celebrate our successful first year! And join us in becoming the voice of our constituents.

Guest Speakers: Introduction by Gregory M. Anderson, Dean of College of Education

Keynote -

Michael Baker - Chairman Emeritus of the United States Distance Learning Association, Past President and Chairman of the Board

“Go Into The Future Part II” - A look back at last year's Keynote while looking ahead at next generation technology that will change the educational landscape. What's the future of technology in the classroom?

Special Guest -

Carrie Morgridge - Vice President, Morgridge Family Foundation
